

Strength
N. strength, might, potency, horsepower,
HP 160 power; energy 174 vigorousness,
force, physical f., main f. 735 brute force
resilience, spring 328 elasticity, tone.
nicity, temper; load-bearing capa
tensile strength; iron, steel 326 hor
part of oak 329 toughness
ability, endurance

A single word will never
express all we feel about you,
but it's a start...

**You show us what it means
to be strong.**
